FACTS enrollment or re-enrollment information 2016-2017

We will continue using the FACTS management system for tuition payment plans and scholarships this school year. Of all choices, it is one of the most simple and secure, and if there are any questions do not hesitate to call or email asap. Below is information. Below, I have information for all families, existing families, and what new families need to do. Remember, if there seems to be any problems call right away. We do not want mistakes to go unnoticed and cause you any problems.

Mrs. Kelly Gabe

ALL FAMILIES

Payment Plan options are:

1. Full year payment in September
2. Semi-annual payments in September and January
3. Ten monthly payments in August through May

Meal Plan

If a family wants to add Meal Plan, then they may choose one of the three above with the Meal Plan as a choice.

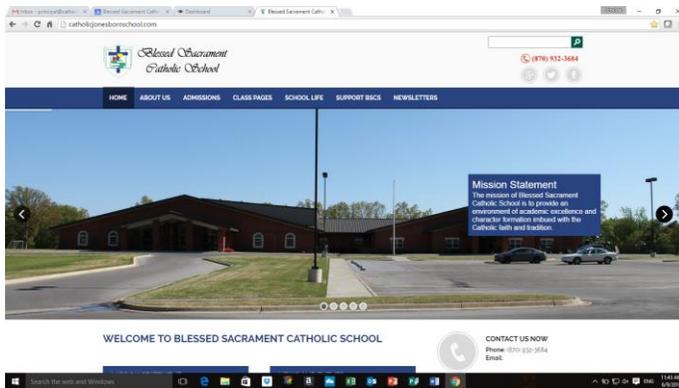

If there is more than one child attending BSCS, but not all want the lunches plan, make sure it is noted on the tuition sheet from the registration packet.

EXISTING FAMILIES

It is super easy for existing families. There is an automatic roll over of all student plans into the next year. This stops for those graduating Sixth Grade. You will receive a notice ONLY after you are finalized with the correct tuition amount charged to begin.

NEW FAMILIES

Go to the School Website catholicjonesboroschool.com

At the bottom of the home page, there is an icon for the FACTS portal

Once you click, there will be a "sign-in" page and you will create a username and password. Then you will be prompted to enter in all personal and banking information. I know it is a lot of your information but it is secure. I will enter in tuition charges and you will receive a finalization notice once completed. If you have ANY questions, this is new, so please ask.
